Extra- Curricular Sports

The clubs this term have been brilliant! With very high numbers attending each week, pupils have been able to improve their skills in football, netball and badminton as well as have the opportunity to make new friends and try out for the school teams.

Year 11 Boys Football

The Year 11 boys football team have made a strong start to the 2018-19 season. The team are currently unbeaten and having won their 3 opening games 4-3, 8-1 and 5-0. The team are also through to the next round of the Leeds Schools U16 cup competition with a confident win over Dixon's Unity Academy.

The Squad is as follows: Haroon Bostan, Ben Stevenson, Matthew Dolan, Spencer White, Alfie Kellett (VC), Tyler Broadhead, Louis Harkness, Lewis Staniforth, Chris Hill, Jay Turnbull, Charlie Milnes, Taylor Thompson (C) Alex Lenton, Harvey Brown, Josh Harrison and Jack Backhouse

Year 9 and 10 Boys Football

Both the Year 9 and Year 10 boys have made a good start to the season with the Year 9 side performing well and the Year 10 team qualifying for the quarter-final of the cup.

Year 7 and 8 Boys Football

The younger boys football teams are very competitive with over 30 boys attending training each week. Both years have made a good start to the season and we hope this continues into 2019 as they improve week by week.

U14's Girls Football

The girls started of their season with a 0-0 draw against a very well organised Crawshaw team. The Year 7's showed real grit and determination against a heavily populated Year 9 Crawshaw team and the girls battled right until the end, but unfortunately no goals came after all their hard work. The girls next meeting with Crawshaw is on the 11th December in a 5-a-side tournament.

Girls Netball

The netball club has had record numbers each week from a range of year groups. It is great to see so many Year 7's wanting to come along, learn, and get involved as well as the older years returning to improve and progress their skills further. Each of the year groups have made an impressive start to their netball season with some fantastic results, which we hope continues into 2019.

Sports leaders

Our sports leaders have been busy this term running and helping out at 4 primary school netball festivals. The girls have done an amazing job and are always praised for their efforts by the primary school staff and parents. Their passion and dedication to help coach and lead these primary school students has been fantastic to see.
