Parking Arrangements

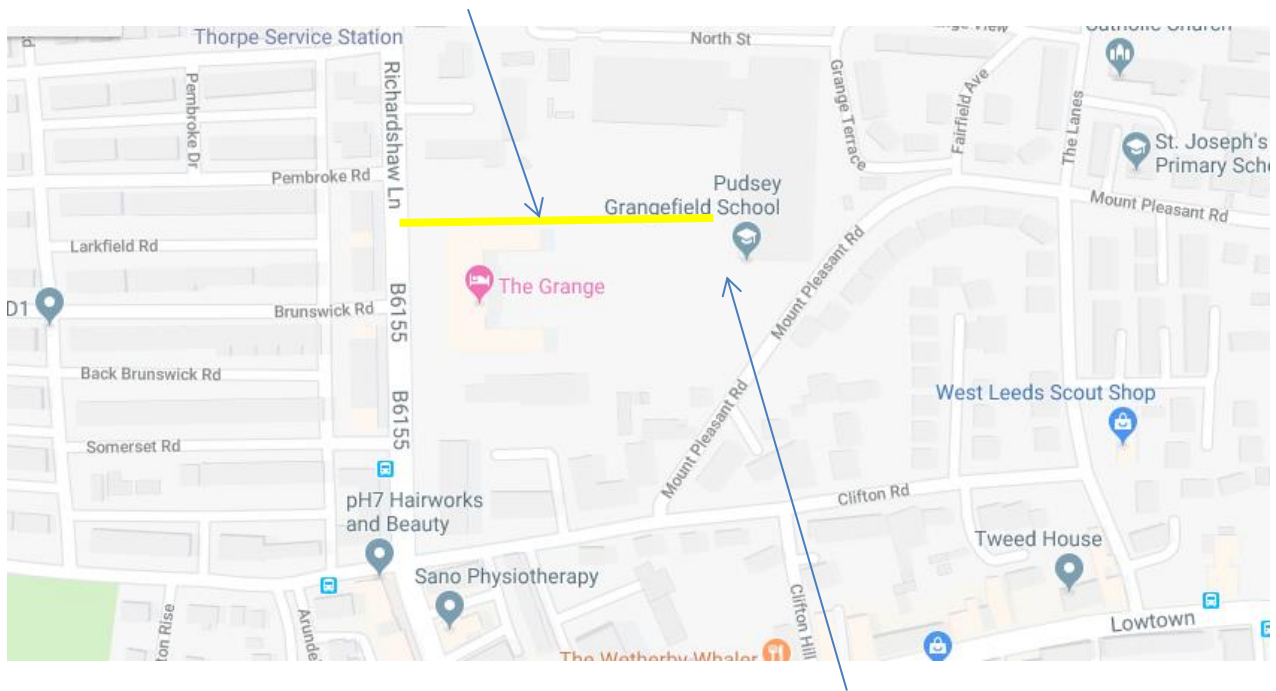

To parents – via text

The three Pudsey schools now take it in turns to hold our joint Post-16 Parent's Evenings. On Thursday 31<sup>st</sup> January, the Year 13 evening will be held at Pudsey Grangefield School.

Parents should expect very limited parking on the school site at Pudsey Grangefield as subject staff from Crawshaw and Priesthorpe will be using our car park. We therefore suggest that parents try to avoid travelling by car on the evening, or if that is not feasible, to use the streets surrounding the school to park. The path that cuts through from Richardshaw Lane onto the school grounds will be open for the evening so that parents can park on streets adjacent to Richardshaw Lane. This is often a better option than Mount Pleasant Road, which can become very busy at certain times.

Apologies for the inconvenience this may cause, but I am sure you appreciate the issues we face with parking arrangements.

Our staff car-park off Mount Pleasant Road will have very limited spaces, and Mount Pleasant itself can be very busy with traffic and often difficult to park
