

Our ref: JRD/EFR
Date: 9th May 2019

Dear Parents/Carers,

This purpose of this letter is to give you a detailed understanding of the procedures for students across the forthcoming exam season. The students have a long summer holiday to look forward to soon, but for now, it is incredibly important that they remain highly focused and resilient. To help them through an important five weeks, we are putting on a range of different sessions and initiatives, which we want you to be fully aware of.

Toast and water

From 8:10am every morning, we are providing Year 11 students who have a morning exam with free toast and water.

Twilights up to May 24th

Compulsory twilights continue until Thursday 23rd May. Students have been given new twilight timetables and they will run until 3:30pm each day. Please see the Detailed Revision and Exam Timetable on the website for more information.

Year 11 stand-down: Friday May 24th

Until May 24th, students' normal timetable will run around their exams. In June, students will only need to attend their exams and the extra revision sessions we have organised.

Pre-exam revision sessions

For 20 minutes before every exam, we will run a pre-exam revision session. These begin at 8:25am for morning exams and at 12:25pm for afternoon exams. Up to May 24th, students will have an early lunch when they have an afternoon exam. Please note the slightly earlier than normal 8:25am start time.

Half term and June revision sessions

We are running more sessions over the half term holidays and in June for students. The timetable is overleaf and on our website.

Independent revision

All students must continue revising for their exams through this period. Students should write out notes from memory and check their revision guides. Making flashcards and mind maps is also very effective.

Uniform

Students must wear their full uniform at all times across the exam period.

Please keep checking the Year 11 section of our website and contact myself, Mr Eaton or Mrs Williams if you have any questions. Also, please contact us if you think your son/daughter is experiencing very high levels of anxiety or stress.

Yours faithfully,

Mr J Rand
Assistant Principal

Mr M Eaton
Year 11 Director of Study

Mrs M Williams
Year 11 Leader

Twilights up to May 24th

13 th May 2:45 – 3:30pm	Biology	20 th May 2:45 – 3:30pm	Maths
