Dear Students and Parent/Carer,

**Re: Year 8 Subject Fair – Wednesday 15<sup>th</sup> March from 6pm**

We would like to invite parents/carers and students of Years 8 to the Pathways Evening on **Wednesday 15<sup>th</sup> March at 6pm**. The purpose of the Pathways Evening is to support students in making the right subject choices for the next phase of their education. Prior to this evening, students will receive an overview of the pathways process and the choices that are available to them.

The evening will include a short presentation in the hall and also give the opportunity to visit subject stands where representative teachers will be present to discuss each of the courses. Mr Brown (Director of Special Educational & Behavioural Needs) will also be available to talk to parents of children with additional needs. Students will also receive a booklet which will provide further information about different subjects as well as spending time in form discussing their personal strengths and aspirations.
