Dear Parent/Carer,

I wanted to take this opportunity to share with you all of the extra support that we as a school are putting in place for our year 11 students. As always we ask that you support the school in getting your child to attend every available opportunity to support their preparation for this summer's exams.

### **February half term support**

A number of subjects are offering support over the coming half term break. The schedule is as follows;

**Monday 12<sup>th</sup> February** - Food and Nutrition, Product design and Art

**Tuesday 13<sup>th</sup> February** – Art, French and Health and Social care

**Wednesday 14<sup>th</sup> February** – Business studies

**Friday 16<sup>th</sup> February** – Photography

### **Period 6 lessons**

I sent out a letter earlier in the week with information about extra lessons being added to your child's timetable. The lessons will be used to look at exam materials within each of your child's subjects, helping their revision processes. The lessons run from 2:50pm to 3:50pm, Monday to Thursday, and will be compulsory for all. If you would like further information about this please visit the link below for the full schedule.
