Dear parent or carer,

I am writing to inform you of three incidents which took place in the town on Tuesday and Wednesday during which a silver car with two adult male occupants approached some of our female students. We were only made aware of two of the incidents yesterday. One incident occurred as the students were walking to school and the other two incidents occurred later in the evening. In all cases none of the students came to any harm, the girls were extremely mature about the matter and reported the incidents to a member of staff or their parents. In all cases the Police were contacted immediately.

I have been in contact with the Police late yesterday evening for an update on the reported incidents and the Police enquiries are ongoing.

We have spoken to all students this morning to alert them of these incidents and to ask them to remain vigilant on their way to and from school and to keep themselves safe. In addition the Police have informed us that they will have an increased presence around the town.

Thankfully such incidents are extremely rare but I wanted to inform you of this matter to ensure you were aware.

Yours sincerely,

**Mr M McKelvie  
Principal**
