

Assessment calendar 2018 2019

- Subjects areas will assess students when it best applies in relation to a. data collection points and b. their curriculum.
- Each department has their own assessment calendar outlining the formative and summative assessments in the year ahead.
- Parents and students will be informed about progress in each subject not longer than two weeks following a data collection point.
- Y10 – Y13 will engage in at least one round of hall-based trial exams in an academic year.
- Y7-9 will have some hall based trial exams in English and Maths
- English and Maths will be given priority when considering giving students full hall-based trial exams.
